THIS PRESS RELEASE DOES NOT CONSTITUTE A PUBLIC TENDER OFFER OR OTHERWISE AN OFFER TO ACQUIRE SHARES

Flerie Invest AB, reg no. 556856-6615 (“**Flerie**”) has today acquired 859 shares in Lipum AB (publ) reg. no. 556813-5999 (“**Lipum**”). Flerie’s total holding in Lipum following the acquisition amounts to 2 981 553 shares, comprising 32,01 per cent of the total amount of shares and votes in the company.

According to the Swedish Securities Council's statement AMN 2023:23, Flerie was granted an exemption from the obligation to make a mandatory bid that could arise as a result of Flerie subscribing its share in the rights issue that Lipum carried out in 2023. According to the exception, an obligation to make a mandatory bid arises if Flerie subsequently acquires additional shares and thereby increases its voting rights in Lipum.

Through today's acquisition of additional shares in Lipum, an obligation to make a mandatory bid arises. Flerie intends to revert with information about a possible public takeover bid regarding the remaining shares in Lipum within four weeks.
